## Windows 7 Compatibility

Please refer to the charts below for a full listing of Windows 7 compatible driver downloads. If you cannot find a product on this support list, unfortunately there will be no Windows 7 driver developed for that product. Check this support list on a regular basis for updates.

Windows 7 Driver Status Legend	Notes
<b>In-box:</b> Windows 7 driver included with Windows 7 Operating System (Windows 7 WHQL certified).	1 = Windows 7 Logo for Driver is planned and release date is T.B.D.
<b>Support:</b> Windows 7 driver in development using existing Vista driver.	2 = PCL6 driver includes PC-FAX Driver.
<b>Support (T.B.D):</b> Development being determined. Please check back soon for Release Date.	3 = Driver compatibility is related to the firmware (F/W) of the product. Please check with your service technician to ensure compatibility.
	4 = Dependant upon development from EFI or Creo.
	5 = Current EFI Fiery PS Drivers for Vista are supported in Windows 7. PCL drivers are not supported in Windows 7.
